

CARRIER LEASE PURCHASE PROGRAM

OTR Leasing is an industry leader in Carrier Lease-Purchase programs. We know that lease-purchase programs only work when the owner-operator is successful. Our programs are setup to make new and existing owner-operators successful for the long haul.

SEMI TRUCK LEASING FOR OWNER-OPERATORS

ENHANCED RECRUITING

Access to OTR's proprietary audience of 80,000 owner-operators and growing. Clear path for current carrier sponsored employees and aspiring owner-operators to get in a truck.

CLASSIFICATION CONCERNS

Portable leases to protect carriers with arm's length relationship. Able to support true owner-operator independence.

MAINTENANCE RESERVE

OTR manages maintenance reserves to relieve carrier of the responsibility and to maintain reclassification justification. Maintenance reserve program entitles owner-operator to nationwide discounts and services.

OTR LEASING

“Thumbs up to OTR Leasing. Very straightforward and honest, like business should be.” - Marvin Brown

HIGHLIGHTS

Our Carrier Lease-Purchase programs are designed to help owner-operators succeed.

- 1** White label portal custom to carrier sponsor with dedicated account managers and standardized reporting
- 2** Class 8 sleepers that includes Kenworths, Peterbilts, Freightliners, Volvos, and Internationals. All include warranty.
- 3** Trac lease, 1-4 year lease terms, low down payment, and affordable weekly payments.

WHY CHOOSE OTR LEASING?

OTR Leasing is at the intersection of providing good trucks to owner-operators and setting them up to be financially disciplined to succeed. We have created best practices and processes with the owner-operator in mind. Being an owner-operator is hard and we are innovating every day to give owner-operators a better shot at succeeding.
